New Listings

In **2015**, Airbnb reached the **highest** number of new listings. 2016 and 2017 saw a restraint also due to a tightening in local regulations.

Despite this, Airbnb became **profitable** in the second half of 2016, and 2017 marked the first full year of generating income. From 2018, there was a new growth stopped in 2019 by the **COVID-19** pandemic.

Market Share by City

Paris, NYC, and Sydney account for almost half of the total listings and **59%** of total reviews.

Paris is the city with the **most listings and reviews**. A possible driver is the **prices** for hotel rooms **being twice** as much as Airbnb!
